LINCOLN PARK METRO DISTRICT ROADS PROJECT

Beginning in June, the Lincoln Park Metropolitan District will begin a project to repair and resurface Market Street, Ashbury Lane and Amison Way (as shown on the below map). During construction, residents may experience intermittent parking restrictions and road closures. We appreciate your patience as we work to improve these roads. Please contact Pat Shannon, Assistant District Manager, with any questions at 303-265-7998.

The planned schedule of construction is as follows:

6/17-7/5	Concrete Work
7/8-7/12	Asphalt/Crack Seal
7/15-7/19	Slurry Seal
7/22-7/23	Restriping and Sign Installation
