

### **2020 Pool Season Update:**

*The Lincoln Park pool will open Monday, June 8<sup>th</sup>. Due to Covid-19, pool use this season needs to be viewed as serving both recreational and fitness purposes. Current health guidelines and expectations under the Safer-At-Home order mean it simply cannot be the beloved social gathering it always has been. The pool management company, Front Range Recreation, has worked with us to make the opening a reality, but we do want to note they have the authority to ask anyone not complying with the rules and guidelines to leave the pool area.*

*What should you expect when coming to the pool this season?*

*Per the Colorado Department of Public Health and Environment (CDPHE), the facility is being limited to 50% capacity, up to 50 people, whichever is fewer.*

*Swimmers not living in the same household should stay at least 6 feet apart both in the pool and on the deck, and no group can exceed 10 people. Persons on the deck are encouraged to wear masks when not swimming in the pool.*

*A reservation system is being instituted, per CDPHE guidelines, to manage attendance and allow for equitable use of the facility. Reservations can only be made up to 48 hours in advance. Reservations are for a 2-hour slot. Residents may use the pool and deck for the duration of the slot and then must vacate the pool to allow staff time to disinfect and clean before the next slot. The pool will be cleared 5 minutes prior to the end of the time bracket, and you will be allotted 10 minutes to gather your belongings and exit the facility. Each household will be able to sign up for one 2-hour time slot per day for no more than 8 people — with a maximum of two slots per 7-day period. This may change as we monitor the availability of slots. To make a pool reservation, visit the following link. **Please note: This is for the Lincoln Park pool only — Stonegate pool will have its own reservation system.***

[lincolnpark.as.me](http://lincolnpark.as.me)

*Due to the number of people being restricted, no guests or pool parties are permitted.*

*The pool hours are 10:00 a.m. to 8:00 p.m. Monday through Friday and on Saturday and Sunday from 9:00 a.m. to 8:00 p.m.*

*While restrooms and showers will remain open, locker access and changing areas will be closed to reduce people congregating in enclosed spaces.*

*All frequently touched surfaces in the restrooms will be disinfected every hour and furniture will be disinfected between reservation brackets.*

*Pool furniture will be limited to tables and umbrellas only and cannot be moved. You are welcome to bring your own chairs but must take them with you at the end of your reservation bracket. Pool staff reserve the right to dispose of all personal items left at the facility as they clean between reservation brackets; please ensure you take all of your items and belongings with you as you leave.*

***Thank you! We appreciate your assistance in ensuring the pool's opening and use is a success.***

 **COVID-19 Warning**

We have taken enhanced health and safety measures-for you, our other Residents, and Team members. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the [Centers for Disease Control and Prevention](#), senior citizens and guests with underlying medical conditions are especially vulnerable. By visiting the Lincoln Park open space and facilities you voluntarily assume all risks related to exposure to COVID-19.
